Glue sticks, scissors, wet glue, crayons, markers, colored pencils, 1 sharpie, 2 highlighters, 2 dry erase markers, 1 dry erase eraser, white-out tape (No liquid white-out) and clear tape. Please place all the above items in separate zip-lock bags, labeled with your child's name.

Small stapler

3 boxes tissues, 3 containers of wipes

Contract paper to cover paperback books (keep at home)

Scholastic News subscription to be purchased in school in September (Cost \$6.75)

The fourth grade is a turning point in your child's education. This is a time when the children are exposed to more independent work. I anticipate that with your cooperation the children will have a positive, productive and fulfilling experience. My goal is to provide encouragement, instill self-confidence, and help each child reach his or her potential.

Have a great summer. **Don't forget about Math facts.** I look forward to meeting you in September.

Sincerely,
Mrs. Mc Govern
