What does a modern Catholic school education look like?

- ✓ Nurturing, experienced faculty members who instill Catholic values
- ✓ Small class sizes and differentiated learning
- ✓ More than 30 after-school sports teams and activities and scheduled club periods
- ✓ Science & Technology - Google Classroom, PowerSchool, laptops, iPads, WiFi, SmartBoards and labs
- ✓ Spanish language instruction from kindergarten through 8th grade. Optional Latin for 8th grade.
- ✓ A curriculum that has always exceeded standards so we don't have to "teach to the test."
